 **Seacoast**
CHRISTIAN ACADEMY

Admissions Policy

It is our goal at Seacoast Christian Academy to provide a solid educational foundation, built on the principles of the Bible. In order to promote a positive learning environment for every student, we must consider the following:

1. The child should have an eagerness or desire to attend the school. A positive outlook toward the school fosters a more successful educational experience.
2. Support of staff and administration by the parents/guardians is a vital element of our school's success with each child. The parents should demonstrate their support of the school by reinforcing the teachers' expectations, by participation in the school programs and fundraisers, and by following the rules outlined in the Student/Parent Handbook.
3. In addition to the application, the parents are required to provide copies of the student's report card for the last two years, school conduct report/school discipline summary, standardized test results, any psycho-educational testing, a pastor's recommendation (grades 6-12), and if applicable, a current Individualized Education Plan (I.E.P.).
4. **ADMISSION TESTING** may be conducted to assess the child's educational level and his/her ability to assimilate with SCA's curriculum and expectations. Students in grades 6-12 will also be asked to write a short essay after being given a prompt. The student will be tested according to the grade level he/she has just completed. The cost for this service is \$30.00. ILC students will be given an individualized test at the cost of \$75.00.

Parents will be notified by letter of the results of the diagnostic screening. The child should score at least 70% overall on both reading and math (students entering grades 9-12 are only tested in reading and writing, as various levels of math courses are offered at the high school level). In the event a child is not accepted as the result of his/her failure to meet the testing criteria, any prepaid fees will be refunded.

5. All students entering grades 6th - 12th, will be required to have an interview with the high school principal before being admitted to Seacoast.
6. K5 students must be 5 years old on or before September 1 in order to enter kindergarten.

The purpose of the *Parent/Student Handbook* is to help your son/daughter gain the greatest possible benefit from his/her education.

I know that the *Parent/Student Handbook* contains a list of rules for students' behavior at school. I understand that it is my responsibility to learn what those rules are, and to know what will happen if I break a rule. I understand that Seacoast Christian Academy reserves the right to dismiss any student who does not cooperate with any phase of the educational program or whose attitudes and actions are not in harmony with the aims and ideals of S.C.A. By signing this pledge, I agree to abide by the policies of S.C.A., and I understand that enrollment in S.C.A. is subject to all terms and conditions of this handbook.

In preparing our students for the 21st Century each Seacoast Christian Academy student will be assigned a computer network login that will provide the student with access to the internet. Unless a parent has signed the "Internet Opt-Out" form, each student will be given access to the SCA network and Internet. I have read and reviewed the Guidelines for Safe and Acceptable Use of the Computers and the Internet. Please stress to your child the importance of using only his or her account password, and of keeping it a secret from other students. Your child is responsible for all activity that happens in his/her account. We also reserve the right to access and review any files or other electronic information stored on SCA network servers. With this permission, you and your child waive copyright on any material posted on the SCA network and website. SCA currently uses an Internet filtering and monitoring system, but be aware, however, that there is inappropriate and controversial material on the Internet that your child might still access.

When a student is assigned SCA property such as textbooks, athletic equipment, or computer equipment, they are required to exercise reasonable care to protect against its loss or damage. In the event SCA property is lost or damaged while in the care of a student, the student's parent/guardian will be financially responsible for reimbursing SCA the reasonable cost of repair or replacement of the item.

Seacoast Christian Academy publishes a variety of information about our school on a portion of the Internet known as the World Wide Web. From time to time we may wish to include your child's work (stories, poems, reports) and/or photo on our web site, bulletin boards, newsletters, fliers or other forms of communication. No last names are used under elementary student work. No names will be placed under photos. Student photos will only be used generically. No identifying marks or physical characteristics, clothing, or other articles bearing a student's name or any other means by which a student can be identified will be photographed. No other personal information about the student, such as e-mail address, phone number, or home address will be published on the Web, bulletin boards, newsletters, fliers or other forms of communication. Our School will also videotape and will occasionally use portions of video for educational purposes.

***Please initial one:**

_____ I consent to my child's work, photo, and video or name being used in any digital communication form as described above.

_____ I do not give consent to my child's work, photo, or name being used in any digital communication form as described above.
